

Stephen Underwood Field Change Letter

Saturday, May 11, 2019

Dear Pastor and supporters of the Underwood family

I am sure you are as excited as I am to see what God will do next with Stephen and Ashlee! They faithfully followed God to South Africa. They worked at the language and culture but as you know the uncertainty of visas for South Africa had them feeling quite frustrated. As they prayed, God began directing their hearts towards Argentina. Their visa being rejected and the subsequent trip to Washington DC to talk with the consulate was the confirmation they needed that God was indeed changing their field of service.

This decision is costing them a great deal. The Underwoods have basically lost all their set up in South Africa. Now they will have to set up in another country and learn a new language and culture. I am praising God that they are still faithful and have not fainted or given up.

Vision Baptist Church is happy to continue supporting them because we know their desire to be used of God to get the gospel to the world. I pray you too will be fully behind this new direction that God is taking them.

I have known Stephen for years. If you have any questions that I might answer, please feel free to call or write.

God bless you

W. Austin Gardner, Pastor
