

Stephen Underwood Field Change Letter

June 3, 2019

Dear Pastor and faithful supporters of the Underwood family,

I am humbled by your heart for world evangelism and decision to support the Underwood Family while they were in South Africa.

As you know, they are transitioning to the field of Argentina. I have had the privilege of walking with Stephen through this process. They have been prayerful and truly desire God's direction for their lives.

With their Visa's being rejected and a trip to Washington DC yielding no help, God began to confirm in their hearts His next step for them. God was indeed leading them to Argentina.

I believe in this family as does our entire church family. We fully stand behind them and as we saw God use them in South Africa, we look forward to seeing how God uses them in Argentina.

Thank you for loving them and supporting them. I wanted to take this opportunity to express my gratitude and let you know our church is fully behind this dear family.

Humbled by your kindness,

Tony Howeth, Pastor

Newton Baptist Church
