

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

January 2020 Prayer Letter

Another year has come and gone! Our furlough is winding down, and we are looking forward to getting on the field, and jumping into new ministry! We've greatly enjoyed reporting into supporting churches, and presenting in many new churches, but our heart is on the field!

December was a great month with lots of travel, time with family, and an amazing weekend getaway with my bride! I am truly thankful and honored to be able to serve the Lord with this life of adventure!

As you all are so faithful to pray; please continue to remember the additional support we are raising for Argentina. With the cost of living increase alone; we are asking churches to consider partnering with us to reach Argentina with the gospel of Christ.

Also, we would like to ask you to continue to intercede on our behalf for our set up fund! We praise the Lord that the cost of our airfare has now been covered! Others have promised to help with our set up fund needs, and we have been earnestly setting aside to save as much as possible.

If you would like to be personally involved with our set up fund needs; here are a few items that you can be a part in helping with:

- 2 cars with roughly 100,000 km - \$12,000
- Washer and dryer - \$1200
- American size refrigerator - \$1000

If you have any questions, or would like to know how to be a part of meeting this need, please do not hesitate to contact me! All of our information is listed to the right.

Thank you all for your continued love, prayers, and support of our family!
