March 2020 Prayer Letter

In just 39 days, our family will once again board a plane loaded with 15-20 duffle bags and spend nine hours flying from Atlanta to Buenos Aires to begin our new chapter as missionaries serving in Argentina! To say that we are excited is an understatement!

We are thankful for Patrick and Leslie Henry and their willingness in finding a house for us that is available when we arrive April 1st! I am thrilled to say, that they have found the one! We were able to secure it with a small security deposit and they signed paperwork on our behalf!

Something specific to pray for about the house we secured is; we will be required to pay up to four months rent in advance before moving into the house! This will be a deposit and three months rent all in advance! Please pray that God will meet this need along with our set up costs!

God is continuing to bless our furlough and support raising efforts! We learned of two new supporters just this week and are praying that several others that said they would be voting soon, will be notifying us shortly! Will you pray with us for this as well?!

Also, we received a generous love offering from another church’s Sunday school classes that brought in $1300 toward our set up fund needs! This will be used to help us gather furniture, appliances, and other household items that we will need in 39 days!

Our visa paperwork is off being apostilled, which is a special stamp needed for the visa completion process in Argentina. This process will cost roughly $2000 alone!

If you’d like to be a part in helping with set up needs; here is a list of some items that will be needed:

- 2 cars with roughly 100,000 km – $12,000
- 4 months rent for deposit on house - $4,160
- beds for the family - $1450
- couch and love seat - $900

**Washer and dryer** – $1200
**American size refrigerator** – $1000
