

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

May 2020 Prayer Letter

I shared this thought the other day on social media of how the Lord had been speaking to me through His word concerning the days we are living in. I'm reminded of how temporal this life truly is and just how significant our purpose is in this life!

"Death is not a virus problem, it's a sin problem. Whether one dies from a virus, a car accident, or a heart attack doesn't change why there is death in the world.

Use this time as people are more aware to the reality of death to share Jesus with them!

Rom 5:12 Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:

Rom 5:21 That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord."

Though we desperately desire to have the borders reopen for international travel and arrive in Argentina to begin a new chapter of ministry; I must be careful not to miss the ministry opportunities God has for me here, and now. It has truly been amazing to see the opportunities God has given me to meet and talk to complete strangers that are concerned over the virus and are thinking more seriously about death.

Just today, I was able to talk to a young couple at Aldi about the Lord, and how God is in complete control, how good He is in the midst of our uncertainty, and His love for us! I left them with an invitation to our church and had a word of prayer with them before we finished our grocery shopping. Would to God that I always take advantage of such opportunities in the future!

I'm so thankful for the calling of God on my life to preach His word! I'm thankful for prayer partners all over the world that intercede on our behalf. And I am so thankful that many of you have partnered with us financially to not only reach Argentina, but the lost and dying world with the gospel of Jesus Christ! May there be much fruit added to your account!

- Please pray with us that we can leave for Argentina as soon as possible.
- Pray that the remainder of our set up funds needs will come in.
- Pray as we prepare to begin a new ministry in a different language, but with the same results; lost folks coming to Jesus!

Thank you all for your continued love, prayers, and support for our family!
