

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

June 2020 Prayer Letter

We are praising the Lord for His continued goodness to our family in the midst of all this uncertainty. We are grateful that our state is beginning to open up and we have been able to attend a few services in person! I never realized just how much assembling with God's people meant to me until we went several weeks without it!

This past Sunday, I was honored to preach for a dear friend, Pastor Jeff Hegwood, and his sweet folks at Calvary Baptist Church in Eatonton, GA. It was so good to be able to worship with them and see how God has strengthened their faith during all this!

If your church is able to hold in person services, and you would like for our family to come by, I would be grateful and honored for the opportunity to love on and encourage your church family! Feel free to call me directly, or email me!

I would like to as prayer for the folks in Argentina. I was speaking with Missionary Patrick Henry and he shared with me how much this shut down has affected an already unstable economy. Just in a matter of days, the peso to dollar exchange rate doubled from 78 pesos to 130 pesos to one USD! This will certainly have a great impact on the people of Argentina. This will mean missed rent payments, power bills, and even meals for their family. Please pray that God will do something in their midst! Pray also, that during these trying days, that the people of Argentina will turn to Christ as a result of their hardship! This is why our hearts yearn to arrive on the field; that we may preach Christ crucified!

Continue to pray with us for the following:

- Please pray with us that we can leave for Argentina as soon as possible.
- Pray that the remainder of our set up funds needs will come in.
- Pray as we prepare to begin a new ministry in a different language, but with the same results; lost folks coming to Jesus!

Thank you all for your continued love, prayers, and support for our family!
