

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

August 2020 Prayer Letter

Well, we are in the dog days of summer! It is hot here in Georgia! It's days like this that I can't help but think, "man, we are missing winter in Argentina right now!" In all honesty, I am grateful that during this COVID-19 ordeal, that our family has been able to be in the United States, and not in highly restricted lockdowns like other countries.

I think of my friends, Patrick and Leslie Henry in Argentina right now. For over 100 days now, they have had very little access to anything outside of their home! I think of Miguel and Mariangela Sanabria in Colombia, and how they are continuing to do everything they can over livestream and internet to preach the word and teach their young church! So many others that are in similar situations and they don't have some of the freedoms and luxuries that we enjoy here in the United States of America. I am grateful for being here during this time!

I'm also grateful that the Lord allowed me another year to serve him. I turned 36 on July 22nd and Ashlee and I enjoyed an evening to ourselves in Chattanooga, TN!

We have also been blessed to be in a few services to update folks on our ministry, plans to get to Argentina, and to preach! As your church continues to open some and hold in person services, I would be honored to come and love on your folks as well! Feel free to contact me if there is an opportunity to do so.

I want to continue to mention the needs we have toward our set up fund. I'm so amazed at how God has continued to provide, and how His people continue to give during times of uncertainty. Will you continue to pray with us about the following?

- 2 cars with roughly 100,000 km - \$12,000 \$10,000
- beds for the family - \$1450
- couch and love seat - \$900
- dining room table - \$500
- 4 months rent for deposit on house - \$4,160
- Washer and dryer - \$1200
- American-size refrigerator - \$1000

We are so thankful for each of our praying, and loving folks around this nation. You truly are a blessing to our family! We can't begin to express it enough, just the impact you are having on our family and the lives of others around the world!

Thank you for your continued love, prayers, and support for our family!
