

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

October 2020 Prayer Letter

We have some exciting things unfolding for our family this month! Before I get your hopes up, we are still not 100% sure when Argentina, or Delta for that matter will allow us to fly; but we are getting closer!

What we do know is that God is providing in a special way to meet many of the set up needs we have for when we can arrive on the field! I'm thankful for the help and friend Bro Jamie Greenwood has been to us over the last several months as we prepare to land in Argentina. He and his wife have graciously offered us several needed household items that will now be waiting for us in our home! One of the biggest needs, a vehicle, is available to us! It's a 2011 Hyundai Santa Fe, which is an suv that will hold our family! Along with the car, we will be buying several pieces of furniture that will be waiting on us.

This brings me to an opportunity to share with you all! Here is a chance to help two missionary families with one gift! We are asking God to provide \$10,000 to help with the cost of the vehicle, furniture, and other items we will need to purchase once we land in Argentina!

For each offering given toward our set up fund, I will send you a free copy of my already free book, that I would send to you anyway; that's right, FREE of charge! Wait! There's more! For every \$100 given, you will receive an additional 4 copies of my already free book to hand out to anyone that you wish! *Offer valid while supplies last!

If you would like to help with this need, please send any designated gifts to:
