## MISSIONARIES TO ARGENTINA

### June 2021 Prayer Letter

May was an exciting month in ministry, and we are not looking to slow down anytime soon! As I close in on finishing book #2 in language school, I am continuing to strive to learn Spanish not for the sake of learning, but for the purpose of preaching the Gospel of Jesus Christ!

Last month, I was greatly challenged, and encouraged during the Vision Baptist Missions Ecuador Regional Conference. It was great to see Bro Austin Gardner, Jeff Bush, and our co-laborers around South America for a week of continued training and refocus. Quito, Ecuador is a beautiful city and in great need of gospel preaching churches in the area. I hope you will join me in praying for Kason and Bethany Bloom as they prepare to arrive in the city sometime in the fall.

This month, the Peru team will be hosting a medical missions outreach team to open up opportunities to share the gospel. Through doctor evaluations, check ups, and out-patient procedures, the Peru team will have a great opportunity to share the gospel, and follow up after the medical team leaves. Please pray for souls to be saved during this exciting week.

I also had another opportunity to meet with Judas and continue sharing the gospel. Please continue to pray for him to come to church as my guest and be saved. This is the most important reason we strive to learn Spanish, this is our goal and motivator. Another young man I have witnessed to, is Leo. He is a Venezuelan that moved to Arequipa with his wife and daughter to escape the turmoil there. He drives a taxi and works all the time. Pray that he will take time to come visit a service with me soon.

We are thankful for the blessings God has brought to us and continues to bring. He sure is a good and gracious God! We are also thankful for each of you who fervently pray on our behalf. Without you, this would be near impossible.

Thank you for your love, prayers, and support of our family.
