

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

October 2022 Prayer Letter

Greetings to our faithful prayer partners!

We have had a tremendous month of September and God continues to bless our small church plant in Ezeiza, Buenos Aires, Argentina! I am thankful for the Lord's hand of protection and blessing on us as we strive to serve Him!

My family enjoyed a couple of weeks with my mom and I believe she enjoyed the grandkids at least. The day we dropped mom off at the airport, our friend, Justin, from Arequipa, Peru arrived to help us out for the month! He is already a great blessing and helping me organize our outreach and music program.

Please pray as he has also started teaching free guitar lessons as a method of reaching younger people. We know God is going to bless and trust that many will be able to hear the gospel through these classes.

We also have a special month planned for October. Each Sunday in October will have a special emphasis and we hope to see several visitors each week. Sunday, October 16, is Mother's Day here and we will be hosting a guest Pastor from the United States and one of his men, my friend Jeff Furlong. Pastor Lee will be preaching and I will attempt to translate for the first time! I certainly covet your prayers during this time.

Jeff and Pastor Lee will be here for a short trip to see the work, the field, but mainly to look over a potential piece of property for our church! It is an exciting time, but also uncharted waters for me. I am grateful for Jeff's expertise in this matter as he is a professional contractor.

Please continue praying as we work to raise the funds to purchase the property God has for us, and to begin building as soon as possible! I will give an update when more details and information about this possibility is available!

Thank you all for your continued love, prayers, and support of our family!
