

THE UNDERWOOD FAMILY

MISSIONARIES TO ARGENTINA

January 2023 Prayer Letter

Happy New Year!

The older I get, the more rapidly the year goes by. It literally seems like yesterday that we were “searching” for a place to rent for our church plant, and now we have a church that is 7 months old!

God has done some amazing things throughout the last year. Folks have been saved, several have been baptized, families are joining and attending our services faithfully, and young folks are being disciplined each week! I am thrilled to see the spiritual growth in our people in such a short amount of time!

As we look to the new year, God’s plan is certainly bigger than I could have imagined for myself. Its comforting to know that He is in complete control! We have a little over half of the funds needed to purchase our building! This means that by March 20, 2023 we are trusting God to provide another \$30,000 to pay off our building before we can begin construction. Construction costs are another \$30,000 and we are praying for an additional \$20,000 to purchase a ministry van to transport our folks and start a bus route.

Please pray as we seek to accomplish something much larger than any of us, and though my faith may be small, His desire to see people saved will see this through!

If you would like to be a part of this ministry opportunity, please do not hesitate to reach out with any questions! You may give online through <https://visionmissions.org/give/> or send an offering through our support address to the right!

Thank you for your faithful prayers and support over the years! May you know that God is adding fruit to your account through His work in Argentina!
