MISSIONARIES TO ARGENTINA

Quick Update: Camp and Building!

God truly blessed our first family camp this past weekend! We met with members of Iglesia Bautista Fe and Iglesia Bautista La Gracia. It was a wonderful time of preaching, encouragement, and fellowship with brothers and sisters in Christ.

We had 16 from our new church attend, including the mother of one of our young men. She, being a devout Catholic her entire life, was able to hear many messages on true salvation by grace through faith, not of works. Isabel, after one of our services, spoke with Sis Vanessa of Iglesia Bautista La Gracia and placed her faith and trust in Christ alone for salvation. Her son, Antony, who had made a profession of faith a couple of months ago, also received full assurance of his salvation! Needless to say that God is doing a great work in the hearts of our people!

Building update: We will be starting clean up on the property, Lord willing this weekend. There is shoulder high grass to be cut, lots of garbage left because it's been vacant, and several other things we need to do as quickly as possible.

Lord willing, I will also have the original plans for the building this week to use as we begin construction after the final payment in March is made. We are thankful that another \$1500 came in toward our building fund last month! **We now need \$27,000 by March 15th to pay the building off and begin construction. (5 weeks from today)**
