## MISSIONARIES TO ARGENTINA

### March 2023 Prayer Letter

February was an exciting month of several new visitors and some of our young men traveling back from summer vacation! I'm thankful to have folks that are returning for the third and fourth services, and hearing the good reports from them concerning our church!

We had a small back to school party at the house with our youth, and several of Peyton's soccer friends also attended. I was able to take a few minutes and present the gospel to them, and am praying that God will work in their hearts!

Our church is beginning to see some growth not only numerically, but spiritually as well. A few of our young men are now participating in the offerings, leading in prayer, and helping pass out tracts on their own time! Several of our recent first time visitors came as a result of a personal invitation from our young folks! That excites me tremendously!

Concerning the building project; we are just a week out from our March 15th date to make the last payment. The final payment is \$25,000 of which we have \$2,000 committed. This means that we still need \$23,000 to pay of our building by the 15th!

- 1) Will you commit to pray that God will provide our financial needs for this property?
- 2) Will you pray that God will use this property to see an Army of believers raised up to reach Argentina with the Gospel of Jesus Christ?
- 3) And will you ask God if He would have you personally be a part of making this vision become a reality?
