MISSIONARIES TO ARGENTINA

September Prayer Letter

We have much to praise the Lord for throughout the month of August! He blessed in so many different ways, and choosing a few to highlight in a letter is quite difficult.

We held our very first service at our new (our own) property! God blessed us with a record attendance of 35 people including 9 first time visitors. We are thankful that one family has continued to attend since we moved to the new building.

On August 26th, we hosted a Kid's Day event for the neighborhood, and served 140 folks! We were able to collect the contact information of several families from the community, and have already begun working a follow up plan to better reach the community with the gospel.

Construction is still very much a part of the daily work going on and God is using that as an opportunity to invest more into our young men. It has really helped them be more involved in the work, think about the future of the church, and invest themselves into a work that we pray out lives each of us! I am beyond thankful for this!

Please continue praying for the remainder of the funds needed to complete the construction. As of today,

we are still in need of \$20,000 to complete the second floor, which is classrooms, a nursery, kitchen/fellowship hall, and a small apartment for the future pastor and his family.

Thank you for your continued love, prayer, and support of our family!
